January 2023 Regents Review and Catch-Up

**The January Regents and end of the Fall Term
are just around the corner...**

In order to help students prepare for their Regents and offer additional opportunities to raise their grades in their courses, teachers in multiple subjects will be available for students during Regents week.

Students are encouraged to come to as many sessions as possible when they are not scheduled for an exam to take advantage of these educational opportunities.

*Don't miss out on the below opportunities
to be **Bulldog Blue!** and beyond.*
