FAMILY HEALTH CENTERS AT NYU LANGONE

Long Island City High School

The School Health Program at NYU Langone provides medical and mental health services regardless of your insurance or citizenship status.

We care for children when they are sick, but also provide the preventive medical care to keep them healthy.

There is no co-pay or out-of-pocket cost to you!

Location: Room 546

Hours of Operation: Monday–Friday 8:30AM–3:30PM
